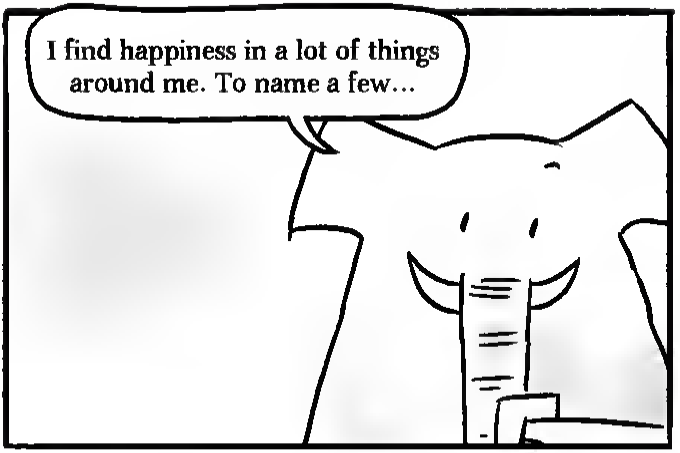
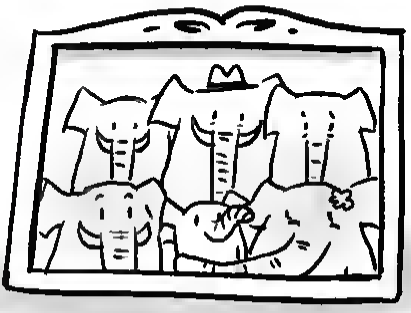
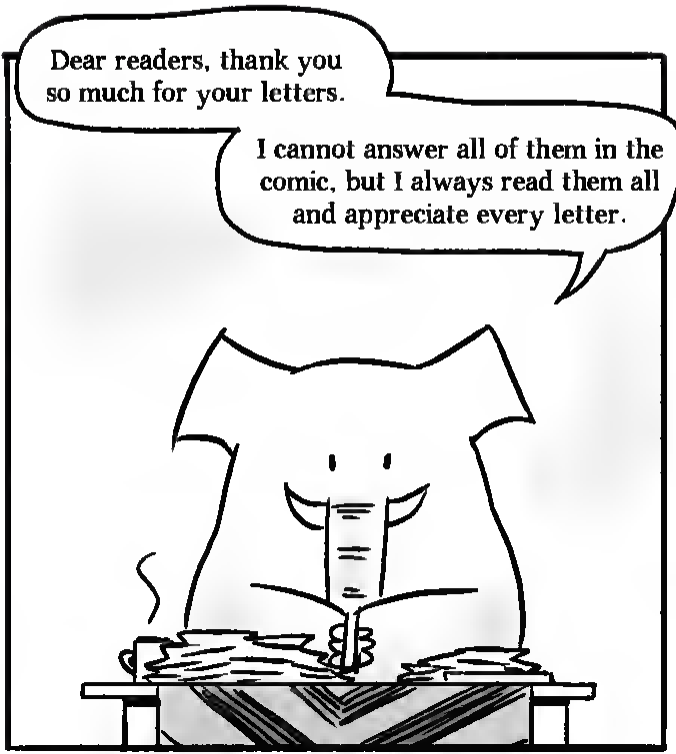
Vanessa Rosa
Dear Master Elephunk, i really enjoying Roar Journal Street. But i still don't get it what is exactly this webtoon about?
Thanks, and have a good day..



My close family





Dear readers, thank you so much for your letters.
I cannot answer all of them in the comic, but I always read them all and appreciate every letter.

...and reading these letters, of course.

Ah. This webtoon is about the interesting things in our daily lives. We hope to bring you happiness through our comic.
We are currently considering changing our genre from "comedy" to "slice of life".
Thank you, and have a good day.

Also, making comics requires a lot of time alone, so we are very happy to connect with readers.

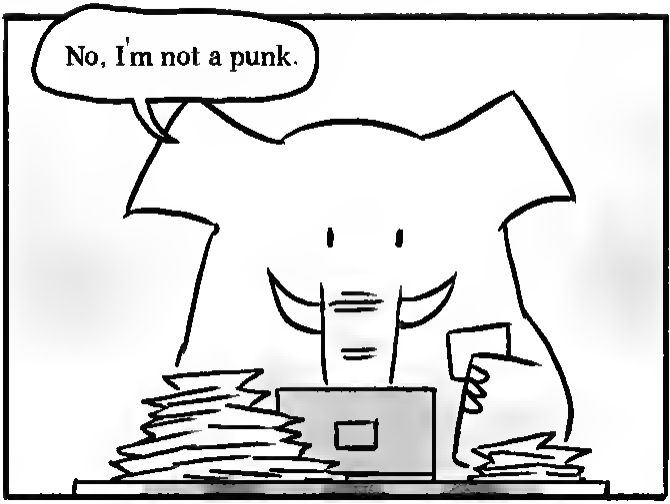
Dear Mr Elephunk, would you mind telling us the gender of the members in RSJ?
Thanks! >v<



No, I'm not a punk.

Hanacchi

Dear Master Elephunk, How did you get your job as editor of RSJ?

Naila

Dear Master Elephunk, can you tell us about how did you end up working in there?

Preeti Ravindra

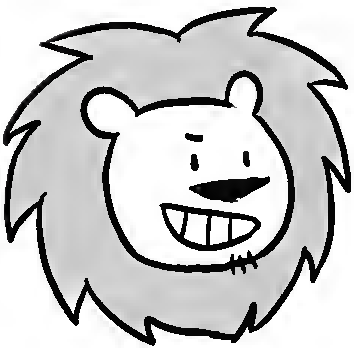
Dear Master Elephunk, since when have you been working with Leo?

Are you the oldest employee there since Leo seems to trust you a lot!

Also.. you rock!!!

I'm sorry if our appearances make it difficult to tell our genders.

The best way to distinguish between male and female in RSJ is the presence or absence of eyelashes.



✗ No eyelashes

✓ Have eyelashes

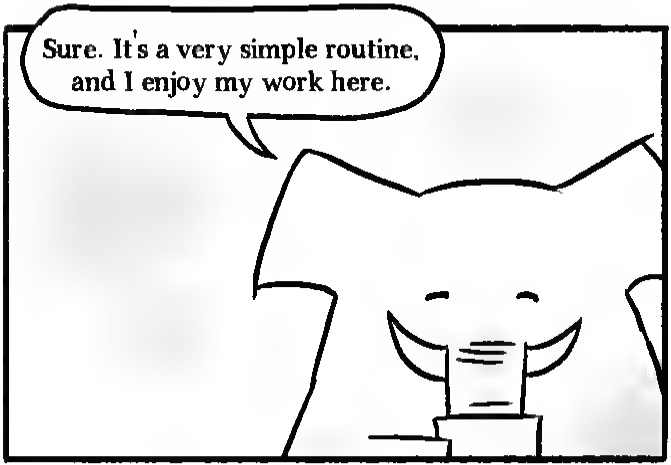
Dear Mr Elephunk, can you show us your daily work routine at Roar Street Journal?

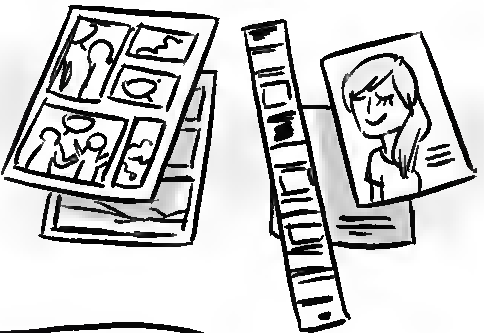


ROAR STREET JOURNAL

Editor's Column

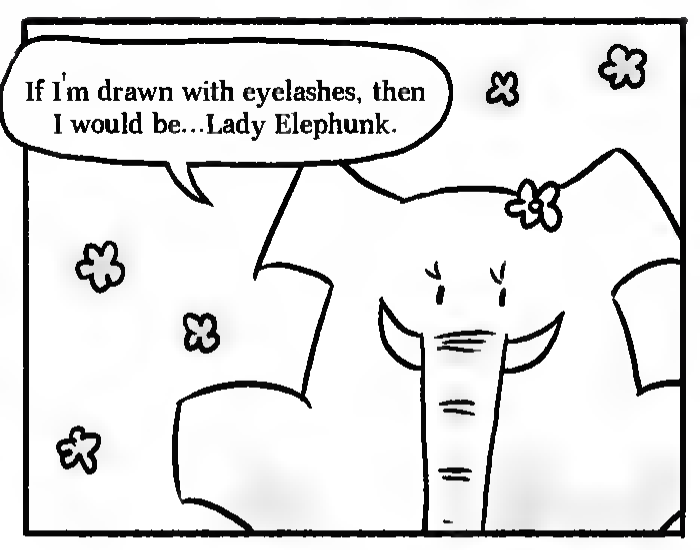
We usually communicate by talking and seeing each other.

For webtoon artists, they communicate with the world through their comics.



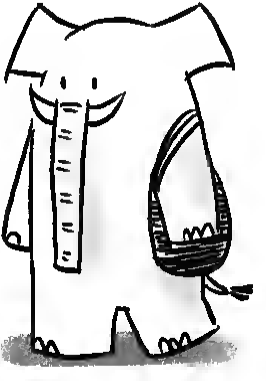
Art is meant to be seen.

It is the readers who make the comic possible, so we want to invite readers to interact and be our friends.



If I'm drawn with eyelashes, then I would be...Lady Elephunk.

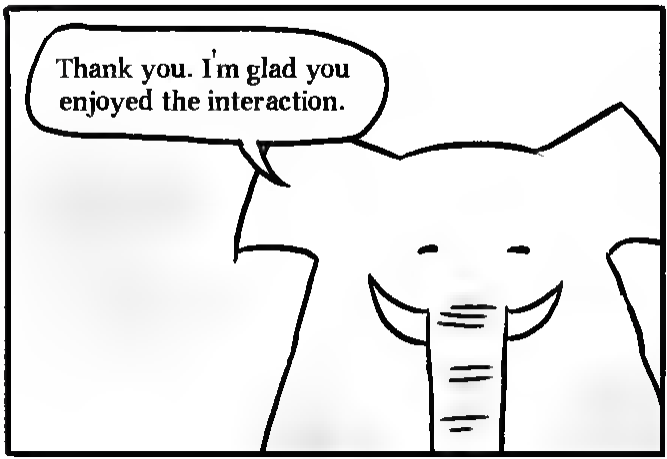
1800 leave office

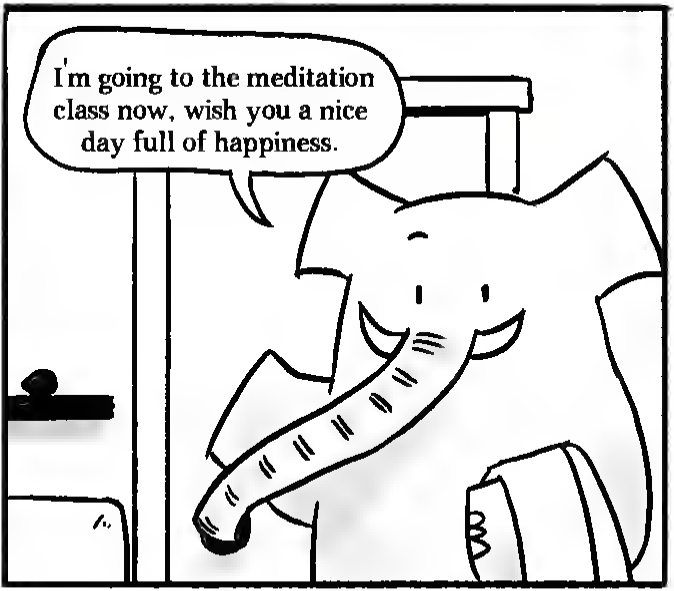


Mina Jackson

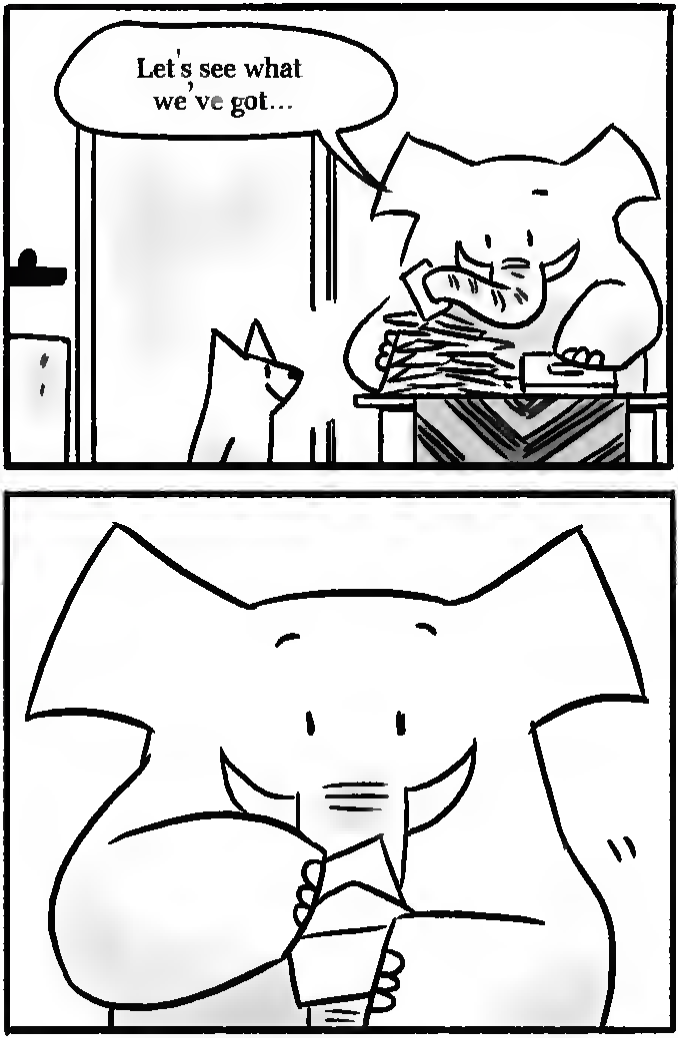
Dear Editor, not all webtoon authors interact with their readers. Why did you choose to interact with the readers so much?

(P.S. it's great BTW)



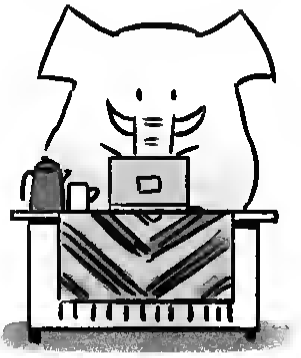


I'm going to the meditation class now, wish you a nice day full of happiness.



Let's see what we've got...

0830 start work for the day

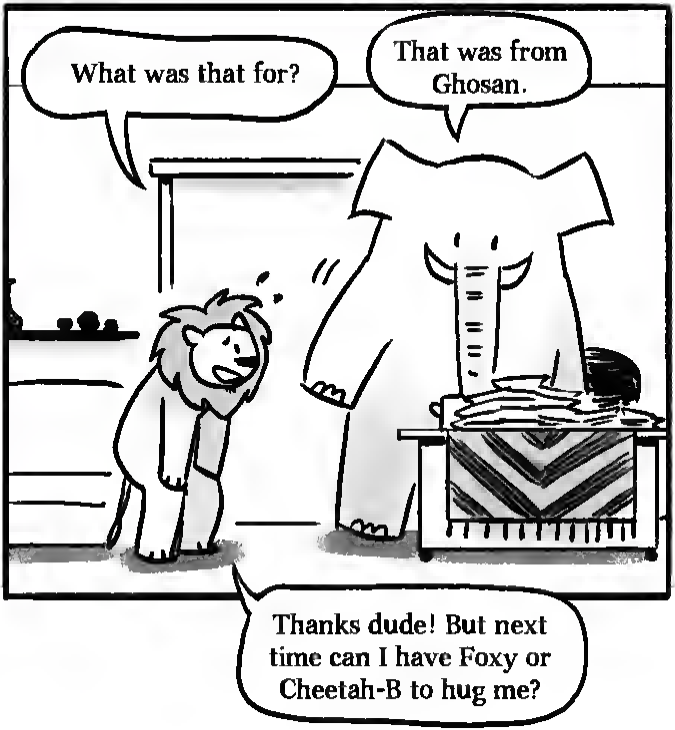


1000 meeting with colleagues

Being with nature

Good tea, book and music

I am also the oldest employee both in work and age.



What was that for?
That was from Ghosan.
Thanks dude! But next time can I have Foxy or Cheetah-B to hug me?
